

Mini Quiz 11

[github.com/6035/sp22](https://github.com/mit-csl/6035-sp22)

Name: _____

Kerberos username (omit @mit.edu): _____

Q: Using the representation discussed in class, construct the symbol table for the following class:

```
class foo {  
    int x;  
    bool y;  
    void bar(int a) {  
        int i = 1;  
        x += a + i;  
    }  
}
```
